

Dear Customer:

October 2023
Nipron Co., Ltd.

Notice of Discontinuation

Thank you very much for your continued patronage.

At this time, we regret to inform you that the product models listed in the table below will be discontinued for the reasons listed below.

With warm regards,

◆ Models to be discontinued

Model name	End of sales	Last order availability
PCSF-200P-X2S PC1U-300P-E2S PC12U-200P-X2SH PC12U-200P-X2SV pNSP1U-550P-A pNSP1U-550P-P pNSP2U-550P-AAS pNSP2U-550P-00S pNSP2U-550P-APS BS22A-H24/2.0L	September, 2024	March, 2024

◆ Reasons for discontinuation

The electronic parts needed to make these products are steadily going out of production. In addition, the listed models have been on the market for over 15 years and the volume of sales has dropped to insignificant levels, which makes their continued production difficult. For these reasons we have decided to discontinue production.

◆ Accepting Final Orders

We have set the end of sales date as above, but please understand that limited inventory could still prevent us from delivering your order. Thus, to ensure that we will be able to answer your request, we have set a deadline for final orders well in advance of the planned end of production. Please be sure to place your order by the dates listed above for the models being discontinued.

If you have any questions, please do not hesitate to contact one of our sales representatives.
